

MINUTES OF THE MEETING

On 10.11.2021 an important meeting was organised by the worthy Principal on the request of IQAC GDC Ganderbal in his office Chamber. The meeting was chaired by Principal, attended by the members of College Advisory committee, Coordinator IQAC alongwith all its members. The agenda of the meeting was to seek approval from the Advisory committee for submission of Annual Quality Assurance Report for the year 2018-19. The meeting was presided over by the worthy Principal, in his inaugural address Principal sir appraised the members about the backlog viz-a-viz submission of AQARs to NAAC Bangalore because of unusual circumstances post abrogation of Article 370 and Covid-19 in the UT of J & K. After that Principal sir asked Coordinator IQAC to throw light on the preparations and status of the AQARs. The Coordinator IQAC, Dr. Bilal Ahmad Sheikh briefly threw light on the preparation of AQARs and different components involved in the process. He asked the members for brief presentations of their respective criterions which they did with entire satisfaction of the Chair and Advisory committee.

During the meeting worthy Principal and members of Advisory Committee were made aware by the Coordinator IQAC and College NAAC committee members about various problems they faced during the preparations of formulation of AQAR's. It was brought into the notice of the chair and others that this time there is lot of improvement in different criteria's than the previous time.

In order to understand the problems which IQAC faced during the preparations of AQAR's worthy Principal sought queries from the IQAC members. Various issues were discussed with regard to the queries made by the members and it was resolved that:

1. That the College will establish a documentation cell to keep record of the events and programmes.
2. No bill will be passed if it does not contain the report of the programme.
3. The attendance of staff and students is to be maintained without fail and should be submitted along with the detailed report of the programme to the concerned.
4. Periodic Alumni meetings should be held with proper documentation for record and reference.
5. Steps will be taken to update the library automation and acquisition system.
6. In order to maintain the record of students progression the admission section will take the contact details and emails from the pass out students while issuing discharge certificates to them.
7. Many short term programmes based on skill development will be undertaken to increase the employability among the students of the college.
8. College will write to the administrative department for some alternative land to start a satellite campus keeping in view the shortage of space for infrastructure development in the campus owing to the existence of innumerable majestic chinars all around.

After threadbare discussion Worthy Principal and Members of Advisory Committee accorded the approval for the submission of AQAR for the year 2018-19 forthwith.

The meeting ended with the vote of thanks which was extended by Coordinator IQAC Dr, Bilal Ahmad Sheikh.
