

# Department Of Chemistry

GDC Ganderbal

GDC/GBL//CHM/20/\_\_\_Exam--02\_\_

Dated:-03/10/2020

## Notice

In view of the continued lockdown due to impending COVID-19 pandemic, the academic calendar of educational institutions throughout the J&K colleges could not be strictly followed. There has been a credible and transparent alternative to the conventional examination conducted under the strict supervision and continuous monitoring of the Principal of the College. Modalities for conduction of examination were worked out by Principal in consultation with the Faculty to suit the requirements of the courses for which the broad parameters were written assignment and MCQ's. In pursuance to this it has been resolved in the meeting that the **LAB COURSES** of BSC 2<sup>nd</sup> SEM (Batch 2019) and their backlogs shall be examined on the basis of response sheet to be submitted in their concerned Departments as per criteria:-

- We have uploaded question papers for lab courses in the respective Google Classrooms and on department website. The students need to prepare answers on plane A4 sheets in accordance to questions asked.
- Assignment must be hand written.
- On title page student must write:-  
Name.....  
Examination Roll no.....  
Registration no.....  
Category (fresh/backlog).....  
Cell no.....  
Email.....  
Date of submission.....
- **Students are directed to submit hard copies of assignment in the Department. Besides they shall also produce hard copies of theory assignment submitted online earlier.**
- Student must not share their answers with classmates and 'case of copying' will be rejected out rightly.
- Last date for submission of answer script is 10th of Oct, 2020.
- Backlog students of these semesters can also prepare answer scripts on similar criteria. Acceptance of their answer sheet depends on basis of their eligibility to be determined by the Kashmir University.
