

Government Degree College Ganderbal

About College

The college is a prestigious college of Kashmir University and is situated on the western bank of Sindh River in the famous Chinar garden, adjacent to the Shrine of famous Sufi Saint Qamar Shah Sahib (R.A). The college formally started functioning in the year 2002, in the building of Govt. Physical College Ganderbal, but has now been shifted to the new three-storey building which was inaugurated on the 5th December 2009 by the Chief Minister Jenab Omar Abdullah Sahib. Besides, Ganderbal College caters to the educational requirements of the students coming from far-off areas viz, Sonamarg, Sonawari, Hajin, Ajas, and so on. The college is at present offering undergraduate courses in Science Stream, Arts Stream, Commerce Stream, and BCA.

The institution has been a hub of curriculum and co-curriculum activities and offers a variety of supporting services, viz Library, Sports opportunities, Internet facility, IT support facility, and student's welfare schemes. The college wishes to take education to the doorsteps of even to those students who are otherwise deprived of this facility. In this direction, the college has study centers of IGNOU and distance education departments (Kashmir University) and has also approached MANUU for having their study centers for the benefit of the catchment area.

Library

The college library is well stocked and fully computerized. The library facilities are upgrading in terms of collection covering almost all aspects of Science, Commerce and Humanities books. Besides this, the college library is enriched with journals, magazines, encyclopedias, reference Books and CDs as well. The present Collection of the Library is 21345

College Library was shifted in a separate newly constructed building in 2018 comprising of General Section, Processing Section, Reference Section (with reading hall). Library is well furnished with modern facilities.

NSS

The institution is mindful of its social responsibilities, offering community support through three NSS units. Over the years, NSS volunteers from the college have actively engaged in various social service activities organized by the NSS units. These activities include plantation drives, cleaning the vicinity around the college campus

NCC

The National Cadet Corps in India is a voluntary organization that recruits from high schools, colleges and universities all over India. The cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preferences over normal candidates during the selection based on their merit.

Cultural Activities

The college prioritizes the holistic development of its students, recognizing the importance of extra-curricular involvement in nurturing their interests, leadership skills and camaraderie. Annually the college organizes vibrant cultural programmes to facilitate its growth. Utilizing an auditorium with a capacity of one hundred and eighty students, a variety of cultural events come to life, while the conference hall serves as a venue for smaller, yet quality enriching, cultural gatherings.

Sports

The institution prioritizes the development of its students by fostering a supportive environment for sports and extracurricular activities. Under the guidance of qualified Physical Education Instructors, students receive training to cultivate their skills in various sports. Exceptional talents are identified through selection trials and provided with systematic training and encouragement to excel in competitions at different levels, including intra-college, inter-university, and national events. To promote active participation, the college organizes both indoor and outdoor intra-college as well as inter-college events, providing students with track suits and necessary sporting gear. Participants receive certificates of participation, while winning teams are honored with trophies. Additionally, the Department of Physical Education regularly hosts indoor games such as Carom, Chess, Badminton, and Table Tennis in dedicated facilities on campus. Furthermore, the college boasts a proud tradition of hosting inter-college Badminton Tournaments, showcasing its commitment to sports excellence and fostering a spirit of healthy competition among students.
