In the month of March 2021 worthy Principal Convened a general staff meeting in the conference hall of the College regarding the new academic session. Whole staff including the new faculty members were welcomed and apprised about the mission and goals to be achieved during the current academic session. It was held that new committees are to be framed for the year 2021 keeping in view the interest of the College as well as the faculty. However, due to the Covid-19 second wave and announcement of lockdown everything was put on hold.

Consequent upon the necessity of framing the Committee list for smooth functioning and management of various affairs apart from teaching learning process, the worthy Principal sought suggestions from the Advisory Committee regarding the same. It was held that a general staff meeting is not possible during the pandemic, hence the committee list for 2021 is prepared keeping in view the previous record as well as the interest and enthusiasm of faculty members.
