

Report of JK Scientists Summer Outreach 2022 Offline

Interaction Event (21st May, 2022)

Department of Zoology in collaboration with IQAC of Govt. Degree College Ganderbal hosted JK Scientists outreach – 2022 offline interactive event on 21st May, 2022. The event was conducted in the Conference Hall of the college and started with the welcome address by Dr. Sheikh Tanveer Salam (Coordinator IQAC) in which he introduced the guest scientists to the audience. The welcome address was followed by the Presidential Address from Principal of the College Prof. Fouzia Fatima in which she urged students of the college to avail this golden opportunity of interacting and developing contacts with the guest scientists of JK Scientists group to get the necessary guidance and mentoring for carving their careers in academics and research. This was followed by introductory speech by Dr. Zahida Qamri who is presently working as Research Regulator and QA Coordinator in Cleveland Clinic, Ohio, USA. In her speech Dr. Zahida Qamri highlighted the role of JK Scientists as non-profit voluntary organisation involved in mentorship and outreach programs to motivate young budding scientists towards quality research. After that Dr. Peer Abdul Haseeb (INSPIRE Faculty, University of Kashmir) in his speech, highlighted extensively various opportunities and procedures for getting admission in various prestigious research Institutes of India and abroad. His speech was followed by a very lucid talk of Dr. Saima Beigh, ICSSR Fellow and a great psychologist who explained comprehensively the provisions of getting scholarships for joining various research institutions of India and abroad . This was followed by a very healthy interactive session in which all the queries were addressed by our galaxy of scientists. The concluding remarks by Dr. Abdul Wahid Shah (HOD Zoology) added new flavor to the event. The program ended with formal vote of thanks extended by Dr. Fayaz Ahamad Ahanger.
